Summer of Fundraising

The future is looking a little brighter. It feels like we can start to repair and focus on the future. Spring is here and with restrictions being eased we are looking forward to a remarkable SUMMER OF FUNDRAISING!

As you know we rely solely on donations to carry out our vital work and fundraising is a huge and important part of the work we do. We take a lot of pride in supporting our fundraisers from the bake sales to the marathon runners – they are all just as crucial.

Will you help us make this summer our most successful summer of fundraising? There is so much you can do..... let's do it together:

Could you hold a bake sale for friends and family?

How about organising a rounders or cricket tournament?

What about.... a mini music festival in your garden?

You could plan an outdoor movie night?

Join an event for Societi, there are so many organised events that are now happening. Visit our [Societi Active Facebook page](#) to find out more.

Why not create your own challenge? Organise a midnight walk with friends? Walk, run, swim or cycle for Kawasaki Disease awareness!

We can help get your plans rolling, we can provide you with support, fundraising resources, and tips as well as bespoke training plans.

We promise to support you every step of the way... just as you have supported us! Thank you for choosing to support Societi Foundation and for your continued dedication to get Kawasaki Disease known and in turn protecting children's hearts.
